### **Written Testimony**

Aloha City Council, I am writing to ask for your support for Bill 24, regarding carsharing. I support and will use carsharing and believe Carsharing will positively impact transportation here in Honolulu and will be a good complement to the transportation options we have now (bus, bikes, walking and automobiles) and in the future (rail). For many it can provide an inexpensive alternative to car ownership or reduce the cost of having a second vehicle. This bill will help make living here a little more affordable and be part of a real solution to the transportation needs of the community. Thank you for supporting this bill.
